Members attended: Erudini, Osman, Tu and Remco

Absent: Ian

Meeting commenced at 17:30 23/SEP/2019.

### **Updates from attendees:**

- Erudini:
  - Busy finishing the Annual report.
- Osman:
  - Met a possible volunteer. Will invite her to a future meeting to introduce her.
  - Talked with MSMGA because of possible new hurricane (Jerry) hitting Sint Maarten. Eventually the hurricane changed course and lowered in force this weekend, so was no longer a threat. Was good to talk to them, and I will organize a meeting so we (Boost Board and MSMGA) can meet-up and update each other. Will be a Skype meeting.
- Tu:
  - No update.
- Remco:
  - Uploaded all the Weekly and Monthly notes of the last 6 months to our website.
