

Weekly Meeting Minutes 13/JUL/2020

Members attended: Osman and Tu

Non-voting members attended: Cerasela

Absent: Martyna, Remco, Erudini,

Meeting commenced at 18:00 13/Jul/2020.

Updates from attendees:

- Tu:
 - Email address of the form has not been adjusted properly; possibly needs to be adjusted per form. Osman will adjust this.

- Osman:
 - No updates received to update the website.
 - Discussed mail that was sent to info@boostfoundation.eu
 - Will update the form email-address

- Cerasela:
 - Dorian arrived in The Netherlands. They have spoken to 2 social workers (Monica and Dr. Judith Arndell), to approach the children who are in need of support the most. Tablets were considered better because they are more portable. The amount of tablets is likely more than we can cover with the initial amount of money – but we should just get the initial plan running.
 - Proposal to order the tablets through uncle Recaldo – board needs to decide upon this as the current show-up is not a majority of the board.

Decisions made:

- Attendance was too low to make decision, Tu (and Cerasela) will look into how VAT is arranged on Sint-Maarten. But the idea is to purchase the tablets through Recaldo's company.

Announcements:

- None
